

April In Review

Glendale Lodge was joined by Ararat Lodge, and other masons in our presentation of wreaths on behalf of Grand Lodge, Glendale and Ararat, in commemoration of the 101st anniversary of the Armenian Genocide. While this is a somber duty, it gives us great joy to know that we may, on behalf of all of California Grand Lodge, join in this recognition, and work to ensure such atrocities never again occur.

Right Worshipful Stu Wright spoke to the lodge on “The Choice Between Good and Bad” followed by an intimate and informative question and answer session on the future of masonry, and advice from Grand Lodge.

Glendale Lodge continued it's 44 year tradition of honoring the faculty and teachers of Glendale Unified School District in a beyond capacity, televised awards ceremony at the School District headquarters. The recognition was greatly appreciated and we look forward to honoring those who ensure our children get a world class education again next year.

Upcoming Events:
